IRFAN JUNDI MUZOFAR
Web & IOS Developer

ABOUT ME

Web developer with more than 5 years experiences either in front end and back end development using PHP/ASP.
Experienced with all stages of the development cycle for dynamic web projects. Well-versed in numerous programming languages including advanced HTML/HTML5, XML, CSS, JavaScript (cross-browser and cross-platform compatibility, AJAX) and CodeIgniter Framework. Good in teamwork or individual work. Love technology and like learning new things and can learn quickly.
